Audi A8 mit V8-Diesel, VW Golf and Bora with motor code AJM and VW New Beetle Rsi have no flexible maintenance interval. For them the fix interval of 15.000 km and the motor oil specification 505.01 are valid		505.01 (Diesel)	●			
VW Lupo 1,2 TDI (Three-liters-car)						●
For vehicles with pump injector without WIV till model year 2001		505.01 (Diesel)	●			
(Audi A8, VW Golf and Bora or 502.00 (VW New Beetle RSi).	Motorcode AJM	502.00				

Should the customer prefer a rigid 15.000km-maintenance interval despite of WIV, other alternative motoroils with the following specifications can be used: 502.00 for series- and V-gasoline engine, 505.00 for diesel engines without pump-injector and 505.01 for diesel engines with pump-injector.
All W-gasoline engines are to be filled with an oil of the specification 503.01 even with rigid maintenance interval.
